To Whom it May Concern:

The Enid Police Department is both fully endorsing and participating in the Paws for the Cause Program. We are extremely grateful for Security National Bank's efforts in this endeavor, in partnership with Eagle Marketing and Chisholm Trail Expo Center, to raise funds for the purchase of another Police Canine.

Given both the success and importance of our K-9 unit over the years, we are very appreciative of these sponsors' work to help us continue this invaluable program for both our department and our community.

Sincerely,

A handwritten signature in black ink, appearing to read "B. O'Rourke", written over a faint circular stamp.
