To Whom it May Concern:

The Enid Police Department is both fully endorsing and participating in the Paws for the Cause Program. We are extremely grateful for Security National Bank's efforts in this endeavor, in partnership with Eagle Marketing and Chisholm Trail Expo Center, to raise funds for concrete walkways and fencing for the Exercise/Visitation area at the City of Enid Animal Control Facility.

Given both the success and importance of our pet adoption program over the years, we are very appreciative of these sponsors' work to help us continue this invaluable program for both our department and community.

Sincerely,

BRIAN O'ROURKE
Chief of Police
